Donna's Seasons

was the memory quilt for – grandparents, husband/wife, important days? If you have a memory quilt, you should bring that quilt to HPQG and describe your quilt in Show-and-Share. In May, let's get out and enjoy the good weather. As the quilt thoughts go, "quilting fast counts as aerobic exercise." So if you are outside or inside, exercise your mind.

*"April showers bring May flowers."
Hope you have flowers in your yard.

MAY 16 WORKSHOP CHARMING SHOO FLY BY MOONKIN STITCHERY SUE WINKING

Beacon United Methodist Church -- 9 a.m. – 3 p.m.

There is a video available on YouTube if you want to watch it. This pattern uses 5" squares and the directions are for making different lengths of table runners.

You can adapt this pattern to make it as big as you want by making more blocks, such as a wall hanging or a larger quilt.

Each block consists of:
4 - 5" squares
4 - 5" x 2½" rectangles
5 - 2½" squares.

I used 2½" strips the width of fabric for the 2½" squares, so they were all the same fabric.

You can use the 5" squares cut in half or yardage for the 5" x 2½" rectangles. I made mine all the same from yardage.

Come have a fun day sewing on this project or something else you want to work on. We usually eat together so bring lunch or go out and get some lunch.

MEMBER SPOTLIGHT

Kathi Moore, Palmyra, works as

a Conservation Educator. She has been quilting for twenty-five years and has been a member of HPQG in years past. Her favorite part of quilting is piecing the top. She also loves doing collage quilts. Kathi, along with her sister and mother, took a log cabin quilt class together. Due to her mother's huge influence, Kathi continued quilting. Currently her aunt keeps her engaged in quilting. Kathy writes, "I come from a family of multi-generational quilters. Most have moved on to God's quilting circle." Other interests include kayaking, fishing, time in nature, and hammocking.
