Donna's Seasons

Beautiful beaches, sunny days, taking walks, longer days: in June we have delightful days. Enjoy each day and night. Take time to soak up the environment. Get out and appreciate the outdoors. Then, you can quilt at night. Something for relatives, friends, a new baby, a new pattern, or something for you. You can decide! Just go with the flow. You will be amazed.

Thank you to all of you who had quilts for the Honor Flight. On June 18 the Honor Flight will be all female Vets. We have 5 quilts now. Hope the HPQG can make 30 more quilts. Thanks.
