Tina Thyme

Are you staying cool? The heat wave is a bit much. I'm reminded of God's wisdom of nature, how the trees have leaves in the summer to provide shade for these hot days and no leaves in the winter so the sun can warm our days. And the birds singing in the mornings; the squirrels

looking for their food and chasing each other.

Likewise our quilting goes through seasons. I can remember the time when all I did was paper piecing and used bright, bold colors; then there's my love for Lori Holt's designs (appliqué); and now I'm in to scrappy. What has your quilting journey been like? Are you satisfied you've tried all that interests you or is it time to reflect on what's next. Maybe you've had so many years quilting that it's time to use your stash. Whatever your journey, make it a happy, fulfilling one. After all the fun is in the journey!

SAVE THE DATE

In September we will have a guest speaker, Tony Jacobson, board member of the national Quilts of Valor organization and former graphic design editor for Fons and Porter's Love of Quilting magazine. In addition to speaking at our September 3 meeting, he will be conducting a class the next day (Wednesday, September 4) focused on one of the patterns he has designed. It is a design using 2½" strips. Cost \$30. See Linda Belford to register. If there is still room after the August 6 meeting, it will be opened up to non-members so be sure to register soon! It's always a fun day!!!

PROGRAM COMMITTEE FOR 2025

The current program committee has served two years and it is time for another group to take the reins as we will be completing our term in December. It really helps to have a committee of 3-4 so there is a breadth of ideas and “work” is shared by all. There is a folder of ideas that is passed on to the new committee as ideas have been brought to the committee by members who have heard of potential guests. So you don’t have to start from scratch unless you want to.

PROGRAM NOTES

July Program
 Have you got your brown bag challenge done?? Reveal will be at the July meeting. Also, the December Challenge, “Be Yourself with a Twist,” More details at the July meeting. Don’t forget your Fabric Bingo cards for July’s program. Prizes include a 3 yard quilt kit, Kim Diehl book and a 6 Inch Design Strip roll of Kaffe Fasset. For the Carry-In we have asked those whose last name falls between and including Asbury and Lentz bring side dishes to go with the chicken tenders provided. Bring your own beverage. The last half of the alphabet will provide for the December carry-in. If you’re not going to be attending and thus not bringing a food item please let Sharon Wastenev know (text 641-340-1680).

Remember our quilts will continue to be on display at the Missouri Quilt Museum in Hamilton through the month of July as will the beautiful vintage linen quilts by Kelly Cline and Friends. Well worth the trip.

MEMBER SPOTLIGHT

Nicole A. Schroeter, Hannibal, is an account manager for American Express. She made her first quilt when she was eighteen years old. She took a break from quilting and picked it up again five years ago. Her favorite part of the quilting process is picking out the pattern and putting together the colors. Her great-grandmother and aunt were the positive quilting influences in her life. Nicole also enjoys working with stained glass and doing DIY projects.

Martha Biallas, Quincy, is retired from teaching and has been quilting for over twenty years. Her favorite part

of quilting is selecting the pattern and hand quilting. Although Martha’s mother was always going to quilt, but never did, her desire was what influenced Martha to take up quilting. Martha’s other interests include travel and golf.
