JULY 11 WORKSHOP
LAKE CABIN FROM SCRAP-BASKET SENSATIONS
SUE WINKING

Beacon United Methodist Church -- 9 a.m. – 3 p.m.

I was asked to have a workshop using black and white with a pop of color. So that is the focus of this workshop, if you do not want to do black and white, you may use your own color choices. I added my pop of color from two fat quarters that I used in the sashing. I also used one fabric for all of the sashing strips. There are 48 -- 2½" by 8½" strips.

LAKE CABIN 71" X 71", KIM BRACKETT, SCRAP-BASKET SENSATIONS

Supplies needed:

Blocks:

31 strips, 2½" by 42" of assorted dark prints

24 strips, 2½" by 42" of assorted light prints which includes the sashing

2 yards for outer border and 1/3 yard for inner border

Cutting instructions will be given out at the meeting when you sign up.

COMMUNITY GIVING

We contacted Linda Martien, Missouri State Coordinator for Quilts of Valor, and asked her to give us a little more information on this year's block. Here's her response: As for the blocks, they can be sent all year long and there doesn't need to be any red, white or blue anywhere in the block. One of my favorite quilts I've done is red/black/gray/white for a Marine friend of my husband.

If you have any more questions, the Community Giving committee will be glad to contact her.

June Assignment:

Log Cabin Blocks 1 and 3
